The annual international CEMAR AGM was held in Gremersdorf, Germany, October 31, 2015.

The following is an overview of the news/up dates for 2016.

See details in OLT, JST, CETSC and CEEC regulations 2016, which you can find on www.classicmx.se

General

- Committee members: No changes. See “CEMAR Committee Members” on www.classicmx.se
- Update of the Entry Form to include a box requesting birthday/year and a box to check for 125cc as well as a box to confirm that the rider has a valid personal insurance.
- Penalty points: Re-implementation of the option for the Jury to allow a rider to participate first time in a class with non- approved parts by giving penalty points.
- Number plate colours and numbers must be according to the rules. Correction and one warning at a race, and second time incorrect is a "no go".
- If a rider is not present at the prize giving ceremony, upcoming handling cost for the trophy must be paid by the rider.

Rules/Regulations

- Regulations for OLT, JST, CETSC and CEEC to be valid for one year and revised every year in the AGM if required. If no changes made, then the date/year only will be changed. The set of rules will then be uploaded on the home page www.classicmx.se around New Year.
- CETSC and CEEC regulations will be written in English only.
OLT and JST continue in English, German and Swedish languages.
- CETSC (Twin Shock) and CEEC (EVO) regulations: Update of article 5, Bikes, in the CETSC and CEEC regulations 2016. No changes in content, update of text only for the purpose of easier understanding.
- OLT: Reduction to one age class. Cup to the best 70+ rider.
- JST: No changes

OLT

- Relay Cup: After three inscriptions of the same rider, the Challenge Cup in the 60+ class was permanently given to Göran Josefsson, Sweden. For 2016 there is no new Challenge Cup established.
